

Job Description: Spa Therapist**Location: The Atholl Palace Hotel**

The Atholl Palace Hotel is part of the award-winning Castle Collection and is located in the picturesque town of Pitlochry in the heart of Scotland. Castle Collection is a family run business with hotels based in Ireland and UK. The Atholl Palace Hotel has been welcoming guests for over 100 years and has 120 bedrooms, as well as a diverse selection of self-catering accommodation.

The Role in The Spa at Atholl Palace

You will be a part of our busy spa team and have a passion for excellent customer service, making sure each and every guest receives an outstanding and memorable experience. You will work 5 days from 7 and this will include weekend work.

We are looking for someone who can;

- Provide an exceptional level of customer service
- Must be flexible with working hours and days to suit business demands.
- Have a passion for delivering treatments of a high standard.

The ideal candidate will be trained to HNC level or equivalent and be competent in;

- Massage
- Facials
- Manicures and Pedicures
- A bonus to be confident in waxing and tinting treatments

Full training will be provided for the right candidate.

Benefits include:

- Live in accommodation available
- Weekly paid
- Company pension scheme
- Meals on duty
- Discounted leisure membership

Please note that candidates should have the right to work in the UK and this opportunity does not qualify for sponsorship.
